

May 24, 2010

NARBERTH, Pennsylvania –NHB Advisors, Inc. (NHB), a leading turnaround and crisis management firm committed to creating value and preserving capital, announced today the appointment of *Peter Hartheimer* as a Managing Director in its New York office.

Mr. Hartheimer has over fifteen years of experience with mergers and acquisitions of distressed corporations. He has worked in both equity and agent capacities for private equity concerns, law firms, accounting firms, commercial banks, financial advisors and commercial and industrial companies of all types. A sample of his client engagements include capital restructuring, corporate reorganizations, buy and sell side advisory, and asset disposition. Mr. Hartheimer concentrates in middle market distressed transactions and has extensive experience working within the bankruptcy process. Originally, he was a principal and investor for troubled technology acquisitions and later served as senior management in the role of the Business Development Officer for a private equity and merchant-banking fund. He has participated in over 35 transactions. His knowledge base includes a keen understanding of valuation and asset recovery. He is skilled at the negotiations of complex sales agreements and has implemented numerous plans of reorganization. Mr. Hartheimer's experience includes such industries as healthcare, commercial and general aviation, automotive, avionics, rail, materials handling, general manufacturing, pulp & paper, agribusiness, retail and distribution as well as many others.

Previously, Mr. Hartheimer has held senior management positions at several firms, including: President of Generative NC Technologies, General Manager of FMS Software and Division of Finn Power USA, Senior Vice President of ClearBid Capital, and Principal of General Capital Partners.(I would indicate the educational background here.). Peter Hartheimer may be reached at (845) 323-1267, or peter.hartheimer@nhbteam.com(?).

NHB Advisors, Inc. is one of the country's leading turnaround and crisis management firms. NHB demonstrates leadership in corporate renewal by creating value and preserving capital through turnaround and crisis management, financial advisory, investment banking and fiduciary services to financially challenged companies throughout America, as well as through their investors, lenders and trade creditors. NHB focuses on producing lasting performance improvement, and maximizing the business' value to stakeholders by providing the leadership and credibility required to reconcile the client's objectives, economic reality and available alternatives to establish an achievable goal.

NHB professionals have assisted businesses in nearly every industry, and provides services for out-of-court turnarounds and workouts, crisis and interim management, sale of businesses, refinancing, recapitalization, and restructuring, litigation consulting and expert testimony, and--where necessary--bankruptcy planning and reorganization advisory and management services. NHB's clients have ranged from a few million dollars in sales to nearly \$2 billion, and have
