NHB Names New Senior Consultant

NARBERTH, Pennsylvania –NachmanHaysBrownstein, Inc. (NHB), a leading turnaround and crisis management firm committed to creating value and preserving capital, announced today the appointment of **Roy E. Humphrey** as a Senior Consultant in its Colorado resident office.

Mr. Humphrey has over 25 years of management and business consulting experience in the manufacturing and distribution industries. His previous responsibilities in Plant Management have included profit and loss management, departmental budgets, strategic planning, and employee development. He specializes in teaching and implementing Lean/Demand Flow® and Six Sigma business strategies for companies seeking a competitive edge through improved response and quality while reducing costs and working capital. Mr. Humphrey supports NHB's business development in manufacturing and other industries. He analyzes a company's competitive position and strategy, and provides management expertise for process optimization and improved financial position. Prior to joining NHB, Mr. Humphrey held senior positions in business consulting firms, where he was responsible for teaching and implementing Lean/Demand Flow® business strategies domestically and internationally. He also has held Plant Management positions where he has successfully improved profitability and quality. Roy Humphrey may be reached at (303) 956-5084, or rhumphrey@nhbteam.com.

About NachmanHaysBrownstein, Inc.:

NachmanHaysBrownstein, Inc. is one of the country's leading turnaround and crisis management firms, having been included among the "Outstanding Turnaround Firms" in *Turnarounds & Workouts* for the past thirteen consecutive years. NHB demonstrates leadership in corporate renewal by creating value and preserving capital through turnaround and crisis management, financial advisory, investment banking and fiduciary services to financially challenged companies throughout America, as well as through their investors, lenders and trade creditors. NHB focuses on producing lasting performance improvement and maximizing the business' value to stakeholders by providing the leadership and credibility required to reconcile the client's objectives, economic reality and available alternatives to establish an achievable goal. Headquartered in Philadelphia, NHB also maintains offices in Atlanta, Boston, Dallas, New York and Wilmington, DE.
